SOCIETY

By ALINE THOMPSON

Lured by the great out of doors, scores of Salem folks motored to Willhoit Springs Sunday. Society folk who passed week end sojourns at Willhoit last year will find a new Inn this season.

Among those motoring up Sunday were Mr. and Mrs. Jas. Wilson, Mr. and Mrs. Oliver Locke, Mr. and Mrs. John Coughlin, Dr. and Mrs. Harry Olinger, Mr. and Mrs. Edwin L. Baker and their guest Mrs. Ralph Watson of Portland and Mr. and Mrs. Joseph Baker, who were in a party.

Mrs. E. S. Tillinghast who has been sojourning in Portland for several weeks returned Tuesday.

Miss Eleanor Rogers has had as her house guests for several days her aunt and cousin, Mrs. W. H. Moore and Miss Eleanor Moore of Chicago.

They left this morning for Portland, but will visit in Salem again before returning home.

Mrs. Walter Jeffrey and small son Ray, who have been visiting Mrs. John Graber, returned to Portland Wednesday evening.

A pretty wedding took place on Saturday July 9 at 5:30 o'clock, when Miss Maude E. Horton and Elmer Le Roy Cromblitt of Portland were married at the home of the bride's parents, Mr. and Mrs. Emmons Horton, at 1130 N. 17th street. Rev. Carl H.

Elliott officiating. A profusion of pink roses, spiraea and greens adorned the rooms, and made a pretty setting for the bridal party. Dainty Martha Jerman of Woodburn preceded the couple and the bride was given away by her father.

The bride wore a gown of ecru lace over tulle and carried her mother's wedding fan. She formerly lived in Iowa and received her education in the Iowa state college. Before her marriage she taught Domestic Science in Oregon City, where she was a popular member of the P. E. O. Sisterhood.

Mr. Cromblitt came to Portland from Tacoma and is connected with the Oregon Electric railway. They will be at home to their friends at the Chetopa apartments in Portland after July 22.

C. B. Webb accompanied by Mr. and Mrs. Maclin Harding motored to Eugene for a several days visit Wednesday.

About 20 members of the Ladies Aid society of the Leslie M. E. church were entertained on Wednesday afternoon at the home of Mrs. Henry Peck. A brief business session preceded an enjoyable afternoon of sewing. The hostess was assisted by Mrs. C. Robertson.

Commission Sets Dates for Several Hearings

The public service commission has set dates for hearings on a number of cases beginning July 20 and extending through August 15.

At Stanfield and Blalock a hearing will be held July 20 in two cases. In one a railroad has asked permission to cross a highway; in the other the authorities wish to construct a highway crossing a railroad.

The water rates and service of the J. F. Lane company will be inquired into July 26 at a hearing to be held in Sutherlin.

Some time ago the Southern Pacific requested permission to charge a lower rate on certain commodities between Portland and points on Coos bay than those now existing. The road desired to maintain the present rates to intermediate points. The matter will be threshed out August 27.

Once more the matter of physical connection between rival telephone lines is set for hearing, this time at Portland on August 2. The Apartment and Hotel Men's association has filed formal complaint against the Pacific Telephone and Telegraph company and the Home company.

On August 15 the commission will hold a hearing at Portland relative to the rates on salt from Portland to eastern Oregon points.

Dragged to Death By Runaway Team

Albany, Or., July 13.—Horribly mangled from being dragged in a mowing machine when a team of horses pulling the mower ran away, Mrs. Grace Ethlyn Hamilton, wife of R. G. Hamilton, of Portland, died at her home ten miles southeast of this city today.

A peculiar coincidence is the fact that just a year ago to the day, almost to the hour, James McBride, owner of the farm, was killed in exactly the same manner on another part of the place.

Captain Rosenberg of the Salem Rifle club auxiliary announces that the school for soldiers will be held this evening at the armory on Perry street. Massachusetts Boys Raid Lunch Counters

Kansas City, Mo., July 13.—Angered because officers ordered them to remain on their train, one hundred members of the Eighth Massachusetts infantry last night detained through the car windows, and raided lunch counters, fruit stands and saloons in the vicinity of the Union station.

Twenty policemen broke up the raid after they had loaded 12 guardsmen into a patrol wagon.

The men had not been off the train since leaving Fort Fleming, Mass., and had not been fed anything but beans.

Captain Porter Chase inspected the places damaged and told the proprietors to send in a bill of complaint to Colonel Frank Graves, at El Paso.

Bring Smiles

New Post Toasties were perfected to overcome the defects of old-style corn flakes. And the hearty welcome they have received is ample proof that their superiority is recognized.

New Post Toasties have a self-developed, inner-flavor--the rich flavor of choice Indian corn. Try a handful dry--they're mighty good that way, and the test will prove that, unlike common flakes, they do not depend on cream and sugar for their palatability.

New Post Toasties do not "chaff" in the package, and they don't mush down in cream like common "corn flakes." The New Post Toasties are identified by tiny bubbles on each flake--produced by the quick, intense heat of the new process of manufacture, which also develops their wonderful new flavor.

Have your grocer send a package for tomorrow's breakfast.

Do Not Like Style of Lingerie Furnished

Des Moines, Iowa, July 13.—To express in fitting terms their contempt for underclothing issued by the federal government, 300 soldiers at Camp Dodge late last night had a B. V. D. parade, uniformed only in underclothing which they say are all either 46 or 50's when many of the wearers are perfect 30's. They marched to the headquarters of Brigadier General Allen, camp commander, bearing banners expressing their sentiments toward the new garments.

The men were ordered back to their tents and an investigation is under way.

It was announced today that the four troops of Iowa cavalry will not be mustered into the federal service because recruits are hard to get since the Mexican war situation quieted down, they may also be mustered out of the national guard.

No orders were received early today for Iowa troops to move toward the border.
